

Haven Callout Guide

Every in-game callout, a Garage split with full utility, and the habits that win the site.

1 • THE PLAY

Haven C: Garage, utility, split

1. **Take Garage first**, through Mid Doors.
2. **Smoke Window and Link**, so the site can't watch Garage or rotate in.
3. **If you have a Sova, recon the site from Long.** No Sova? Use Fade's Haunt.
4. **Molly Cubby**, then flash the site from Garage.

Now hit from Garage and Long together.

Four habits that win C site

No lineups to memorise. These work every round.

1 Three sites, spread thin. Haven has A, B and C, so defenders are stretched. A fast, committed hit punishes that.

2 Call Garage early. If Garage is held, say so straight away, so C Long doesn't walk in alone.

3 Entry plus a trade. The second player stays one step behind the first, close enough to trade.

4 Plant, then play off the spike. Hold from cover so the defuser walks into your crossfire.

Know the calls. Now check your rounds.
