

Lotus

Callout Guide

Every in-game callout, the full utility for an A Main hit, and the habits that win the site.

1 • THE PLAY

Lotus A from Main: Tree, Top, Hut

1. **Three spots watch you walk out: Tree, Hut and Top.**
2. **Smoke Tree and Top.** Now only Hut is left.
3. **If you have a Skye, send her dog into Hut.** No Skye? Fade's Prowler clears it too.
4. **Then flash as you leave Main.** Breach or Phoenix can do it.

Two smokes, clear Hut, then a flash. Take A together.

Four habits that win A site

No lineups to memorise. These work every round.

1 Clear close before far. Hut is the close corner. Clear it with utility, not with a teammate's life.

2 Arrive together. Players trickling out of Main one at a time die one at a time.

3 Listen for the doors. Lotus has rotating doors. When one turns, someone is coming. Call it.

4 Plant, then play off the spike. Hold from cover so anyone defusing is in your crossfire.

Know the calls. Now check your rounds.

Upload a round at callup.gg and get it reviewed.
