

Split Callout Guide

Every in-game callout, the full utility for a B Main hit, and the habits that win the site.

1 • THE PLAY

Split B: Rafters, CT, Back

1. **Defenders hold it from up high in Rafters**, and from deep at Back.
2. **Smoke Rafters and the CT stairs.** Now nobody sees you, and nobody rotates in.
3. **If you have a Sova, recon the site.** No Sova? Fade's Haunt does the same job.
4. **Molly Back, then flash over the door.** Brimstone or Viper burns it, Skye or Phoenix flashes.

Two smokes, a recon, a molly, a flash. Then hit B together.

Four habits that win B site

No lineups to memorise. These work every round.

1 Take the high ground away. Rafters looks down on everything. Smoke it or clear it before you walk out.

2 Cut the rotate. A CT smoke buys time. The retake arrives late and in pieces.

3 Entry plus a trade. The second player is one step behind the first, close enough to trade straight away.

4 Plant, then play off the spike. Hold from cover so anyone defusing is in your crossfire.

Know the calls. Now check your rounds.
