

Sunset Callout Guide

Every in-game callout, the full utility for a B Main hit, and the habits that win the site.

1 • THE PLAY

Sunset B: smoke Market and Boba

1. **Two angles wait for you: Market from mid,** and Boba at the back of the site.
2. **Smoke Market and Boba.** Both crossfires are gone.
3. **If you have a Sova, recon the site.** No Sova? Fade's Haunt does the same job.
4. **Flash out of Main and hit together.** Breach, Skye or Phoenix.

Market and Boba smoked. Recon, flash, then take B.

Four habits that win B site

No lineups to memorise. These work every round.

1 Win mid or smoke it. Market connects mid to B. If mid isn't yours, it has to be blind.

2 Utility first, then bodies. Smokes and flashes go out before the first player peeks, not after.

3 Entry plus a trade. The second player stays one step behind the first, close enough to trade.

4 Plant, then play off the spike. Hold from cover so anyone defusing is in your crossfire.
